

Week beginning

13/03/2023

STAR moments

We welcomed lots of visitors to year 4 on Friday. To start the day we met Safari Pete who introduced us to some of his friends, Juliet the owl, Baby Bear the meerkat, along with a friendly looking snake and a couple of sleepy looking lizards!

Then we welcomed our cluster group for Festival of Voices for a rehearsal, the children are sounding great! We can't wait for you to see their performance in June.

Golden Lunches
4H/S Joanna
4R Rayhan
4L Jennifer

Our happy leaf recipients for achievement and success are:

4H/S: Marianna
4R: Olivia
4L: Ethan

Year 4 Newsletter

This week's learning:

As you are aware school is closed to children on Wednesday due to strike action. On Tuesday 14th March children will receive a work pack from us to complete at home. School will be open on Thursday.

As writers this week the children will be publishing their stories using all the techniques learnt over the past few weeks such as adjectives, adverbs and expanded noun phrases.

As mathematicians we will be looking at time in particular the 24 hour clock.

In computing this week the children will learn how information is transmitted digitally using binary code.

As theologians we are visiting Cliff Walk Church where the children will learn more about the Christian festival of Easter. They will have the opportunity to take part in drama, singing, stained glass window painting and gardening. The aim of these workshops is to find out what children have learnt already and what else they would like to find out. The children are very excited about this educational visit.

Don't forget!

Science
Our brand new project is:
Science in my Kitchen
Hand in by: Monday 20th March

Make a mini movie using your Explain Everything or iMovie apps conducting a scientific investigation or experiment in your kitchen with a grown up. Upload your video to your folder on Google Drive.
You could also complete a write up or a set of instructions for others to have a go at your experiment!

Over to you...Home learning

Please remember to carry on with Mathletics, Times Tables RockStars and Bug Club and to work on spellings that are sent home each week. The children should be bringing reading books home so please try to read with your children as often as you can. All children read every day in class.

Children are given spellings every Friday to learn over the week, if your child does not get a copy please ask. Copies are also available on Google classroom.

Keep in touch!
