

# Week beginning

13.03.2023

# Year 5 Newsletter

## STAR moments

This week's happy leaves go to:

**SRP: Zara**, for always coming into school with a positive attitude and a big smile on her face! Zara puts in 100% effort and shines like an artist every morning during our singing sessions; she creates her own dance moves and sings exceptionally well! Keep it up Zara!

**5T: Gehvan**, for his efforts in all subjects. Gehvan has really found his voice this half term and is a constant contributor to lessons. He has really blossomed into an active learner this half term, well done!

**5PN: Sekeen**, for showing resilience in everything he puts his mind to! When faced with a challenge, Sekeen never gives up and this determination to succeed is an inspiration to us all. Well done!

**School starts at 7:50am each morning and finishes at 2pm each day.**  
**Don't forget to wear your school uniform.**

## Our new topic is...Express Yourself!

As mathematicians, we will be continuing to learn how to add and subtract decimal numbers, as well as learning how to round decimal numbers to the nearest whole number.

As writers, we will begin our second English cycle. Over the next three weeks we will be exploring a range of poems and identifying key features.

As readers, we will continue learning about how art has evolved overtime.

In RSHE, we will be focusing on what we can learn from others about achievement and success.

As geographers, we will be identifying the key features of the British coastline.

As artists, we will be researching and discussing various artists and their processes.

As theologists, we will be evaluating the impact of the Shahada.

## Don't forget!

P.E is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

Remember to wear your Fit Friday kit on Friday!

**Please ensure your child is at the school gate by 7:45am! At Star, we now have Brighter Starts breakfast and singing in class from 7:50 - 8:00am every morning to support your child with starting the day with as much energy as possible.**

## Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
