

Weekly Newsletter - 24/03/23

Dear Parents and Carers,
Happy Spring to all our families. Although it may not feel like it just yet, things will begin to feel more spring like next week when the clocks go forward this weekend.

Here at Star we have been celebrating National Poetry Day and the classes have created some amazing class poems. Please have a look at these on the school website.

The children are very excited about Identity Week next week. This will be leading up to our 2nd annual Identity Day on Thursday 30th March. The school will close at 12pm for all pupils and parents are then welcome to take their children home or stay in the playground and enjoy a picnic lunch with your child until 1:45pm. Please feel free to join in with wearing something that you think best reflects your identity.

Sadly, I have witnessed some parents parking up between the little people signs on Hilda Road. This really defeats the point of no stopping on that side of the road to allow all the children to cross safely. Please continue to work with us to make sure that we keep everyone safe on the roads around our school. If at all possible, set off earlier to allow more time to park further away and walk the remainder of your journey.

Have a wonderful weekend.

Best wishes,
Ms Von

FESTIVAL OF VOICES

20TH ANNIVERSARY

Star
Primary
School

Our beloved Festival of Voices is turning 20!!!

This once in a lifetime opportunity to perform at the world famous Hackney Empire is a collaboration between 6 Newham schools, showcasing all the hard work and effort they have put in to their musical studies.

With past events such as "License to Thrill" and "The Sound of Musicals", this year's 20th anniversary theme of "Feeling Good" is one not to be missed!!!

Festival of Voices helped with my confidence, with my performance skills and making new friends.

The children are really embracing the challenging music and are enjoying collaborating with 5 other schools, their progress is impeccable...they could be future stars of the stage and tv!

I couldn't believe it when I saw the Hackney Empire it seemed huge! I was so proud of myself and my school, we sounded amazing!
