

Weekly Newsletter - 30/03/2023

Dear Parents and Carers,
What an incredible end to the term we have had. The excitement levels here at school reached fever point today when we celebrated IDENTITY DAY and had some lively performances from the Mariachi Band. Thank you to all those parents who managed to stay for the Identity Picnic and live performance.

Identity week is very important to us here at Star. We have staff and families from all over the world, from different religious backgrounds and from many different ethnic groups - It is really special when we can celebrate these identities together.

I am appealing to parents to please keep an eye on their children's online activity over the holiday period. It is vital that you are aware of what your child is doing online and who they are talking to. You would not let a stranger speak to your child in the park, so don't let them speak to your child in your home!!!

I would also like to wish all of our families celebrating Easter and observing Ramadan a blessed and peaceful time over the holiday period.

We look forward to welcoming all children back to school on the **17th April 2023**.

Best wishes,
Ms Von

Pupil Leader's Weekly Reflection

What is identity? It's who we are and who we are yet to become. Be your own person. Don't let others determine who you are and who you will be. Be yourself. Be you!

Sofiya - 6S

Sports at Star

Cross Country - Well done to our school cross country team who ran in the relays at West Ham Park today. Not even the rain and cold could dampen their spirits. An extra special well done to the year 4 team who came 2nd, with a special mention to Dion who came 1st in his leg with a massive lead to give the team an amazing start.

Tag Rugby - Our year 5 and 6 Tag Rugby team took part in a Newham tournament this week. They performed amazingly, coming 2nd out of all the other schools!

Mudchute Farm

The Reception pupils had a wonderful time meeting all of the animals at Mudchute Farm. A highlight was watching some hungry piglets drinking milk from mummy pig!

Transition Event at Eastlea Community School

On Monday, Year 5 visited Eastlea Community School to watch and participate in a Science Show by the Royal Institution, where they learnt all about what happens to our food when we consume it. The children absolutely loved the show and the exciting explosions they got to witness!

Attendance at Star

Did you come to school everyday this week?

Which classes achieved the highest attendance?

Who will get the attendance cup?

Nursery

AM - 87%
PM - 87.7%

6S- Bianca

House points

Teachers, lunch staff, support staff, school leaders and our office team have been awarding house tokens all week. Pupils have received tokens if they have demonstrated children's rights, shown good leadership skills and have excellent learning behaviors.

Congratulations to the winning house....results below!
