WEEK BEGINNING: 24.04.2023

THIS WEEK'S LEARNING

We are looking forward to another great week in Reception! During phonics we will continue to learn new sounds and consolidate the ones we have already learnt. All the children are now practising oral blending with Fred and working towards using their phonic knowledge to Fred talk - pinch the sound - write it!

In Maths, we will be consolidating our counting up to 20 as well as our subitising skills.

Whilst exploring and showing curiosity for Global Treasures, the children in reception will be learning about the Royal Family, King Charles III and his coronation.

Star Moments

I am learning English!

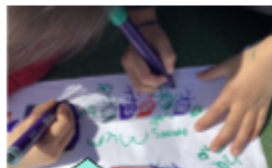

I am writing a note for my mum!

I love coming to school!

We are playing a counting game!

I drew my family! I am writing their names.

2 at the top, 4 on the bottom make 6!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our **self-confidence & trust** happy leaves go out to:

- RA: **Raisa** - Increased confidence due to coming to school as much as possible! You have made lots of progress in your maths and phonics and shown a really positive attitude towards learning. Well done!
