

# Week beginning

24.04.2023

# Year 5 Newsletter

## STAR moments

This week's happy leaves go to:

**5RP: Linis**, for his increased participation in Maths and sharing his mathematical skills with his peers to support them in developing their skills. Keep up the fantastic work Linis!

**5T: Rahat**, for his increased focus and determination. Rahat has been really applying himself recently and his work has been fantastic as a result. Well done!

**5N: Felicia**, for consistently completing all of her work to an incredibly high standard and being a role-model for her peers. Felicia always has a beaming smile on her face and lights up any room she walks into!

## Our new topic is...Global Treasures!

As mathematicians, we will be looking into regular and irregular polygons.

In Shared Reading, we will continue to read 'The Viking Boy' and follow the journey of Gunner and the Vikings.

As writers, we will continue focusing on playscripts by learning how to write our very own play script including all the key features.

As scientists, we will investigate how mixing is an example of a reversible change.

In RHSE, we will be looking at what self confidence is and how we can build our self confidence.

As historians, we will investigate how we know about the Anglo-Saxons and Vikings.

In Computing, we will be using Crumble Kits to create a fairground ride by creating algorithms and learning how to debug.

## Don't forget!

PE is on Thursday so you need to come into school dressed in your PE kit with black trainers!

Remember to wear your Fit Friday kit on Friday!

**Please ensure your child is at the school gate by 7:45am! At Star, we now have Brighter Starts breakfast and singing in class from 7:50 - 8:00am every morning to support your child with starting the day with as much energy as possible.**

## Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day! Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
