## STAR moments

Wow! What a great week we have had. The children have been so busy in and out of school. Our rehearsal for Festival of Voices went extremely well and we are sure you will be so proud to see them perform at the Hackney Empire. Our visit to Colchester Castle was a huge success and all children had a fantastic time learning more about the Romans. The museum staff were so impressed with your children, we had many comments telling us the children were a credit to our school which was lovely to hear.

## This week's learning:

This short week will start with our Global Treasures topic and will end with a celebration day for the King's coronation. This week in our English lessons the children will begin to plan their own play script where they will be describing their characters and setting ready to add to their scene. They will be using their skills from last weeks theatre group workshop to help them create their work. In our Maths No Problem lessons the children continue their work on decimal and learning to round decimals to the nearest whole number. We are also busy learning our times tables to 12, practise these at home with your child and if you can, test them with a couple of quick questions each day. During our foundation lessons we will be working on Design and Technology where the children will design a Roman chariot. In History we will build on our new knowledge from our visit to Colchester Castle and learn more about the Romans and in RE we will continue to learn about marriage and weddings within different religions. Our Spanish lessons continue where the children are learning about family members, how to pronounce words verbally and how to write simple sentences in Spanish.

## Don't forget!

The children will continue to participate in P.E. and music on Wednesday mornings and all children will be expected to attend school in their P.E. kit which they will wear for the whole day. Fit Friday will also continue and again children are expected in school wearing their Fit Friday t - shirts.

## Over to you...Home learning

Please remember to carry on with Mathletics, Times Tables RockStars and Bug Club and to work on spellings that are sent home each week. All usernames and passwords are in your child's reading record. They can also access Google Classroom and Pupil Drive from home. Practise, practise, practise times tables as often as you can!
