This week's learning

This week will begin to look at the life cycle of a caterpillar and discuss how it becomes a beautiful butterfly.

We will also continue focusing on number and developing the deep number sense. We will use words such as 'altogether' and 'total' to help us find the amount.

Attendance

AM: 96.2%

PM: 84.2%

Please bring your child to school everyday to ensure they do not miss learning opportunities.

Star Moments

I am making a crown!

This week's happy leaf goes to Ilena AM/ Arvy PM for showing more confidence when interacting with other children. Read next week's newsletter to find out who will be getting a happy leaf.

DON'T FORGET!
