WEEK BEGINNING: 08.05.2023

THIS WEEK'S LEARNING

We hope you enjoyed yet another Bank holiday weekend including the King's coronation! This week in Reception we will be looking at King

Charles' timeline. In Design Technology we will be building castles.

This links nicely to our upcoming trip to Buckingham Palace on Wednesday 24th May.

In Maths, we will look at patterns in numbers and doubling.

Star Moments

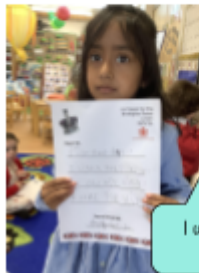

We had a tea party to celebrate the King's coronation!

I'm writing an invitation to our tea party!

We can order numbers to 20!

I wrote a letter to King Charles!

King Charles III

We are writing a letter!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our **self-confidence & trust** happy leaves go out to:
RA: **Safina** - for developing her confidence in phonics and settling into her new group. Your letter formation is beautiful and I love that you're using your sound mat to help you!
RB: **Liyana** - for showing increased confidence in using Fred talk in her phonics lessons and for applying this to do some incredible writing! Keep it up, Liyana!
RSM: **Fabian** - for showing increased confidence in Phonics. He is able to apply his knowledge of sounds to blend and is reading more words everyday! Keep up the great work Fabian!

Attendance

RB - 89.8% RSM - 89.8%

Well done, RB and RSM!

RA - 85.4%

Please bring your child in everyday so that no learning is missed.

Don't forget...

- Please keep on sharing your WOW moments from home on Tapestry. **It was lovely to see Eva in RSM celebrating Eid and Sofia in RA practising her maths games.**
- READING FOLDERS will remain in school on Monday evenings so books can be changed ready for the Tuesday.
- Keep reading with your child at least once a day. Make this as fun as possible!
- **Trip to Buckingham Palace - Wednesday, 24th May.** We want to thank all the parents that expressed their availability to support us on the trip.
- **Mastering Number Clinic - drop in this Friday at 1.50 pm in the year 1 intervention room in preparation for Week 4's home learning.**

Over to you. HOME LEARNING

- Complete the weekly mathematics homework & Mastering Number home learning
- Practise reading and writing the week's sounds. Can you spell simple words?
- Read a story book everyday and complete a comment in your reading record.
