

Week beginning

08.05.2023

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5RP: Sreelakshmi, for continuously building her self confidence and participating in all class activities with enthusiasm. Keep it up!

5T: Matildah, for having the confidence to ask for help and settling into our class quickly. She has made lots of friends and is a ray of sunshine for our class.

5N: Jennifer, for having confidence in her abilities and completing each task set to a very high standard. Jennifer works incredibly hard and has therefore made a lot of progress over the year. Well done!

SATs Week

Year 5 will be based on the bottom floor this week.

5RP: Community Room

5PN: PE Room

5T: Music Room

Please enter these room through the doors leading to the playground each morning.

Our new topic is...Global Treasures!

As mathematicians, we will be how to translate shapes and how to draw the reflection of a shape.

In Shared Reading, we will continue reading the Viking Boy and follow the journey of Gunnar to see what mysteries he solves.

As writers, we will begin learning about how to write a non-chronological report and to find the common features of the report.

As scientists, we will be exploring how mixing forms a solution and how some solutions are reversible whilst others may not be.

In RHSE, we will continue learning about how to build our self confidence whilst supporting others to build theirs.

As historians, we will continue to learn about who the Anglo-Saxons were and where they came from.

Don't forget!

PE is on Thursday so you need to come into school dressed in your PE kit with black trainers!

Remember to wear your Fit Friday kit on Friday!

It has come to our attention that some Y5 pupils have access to social media apps such as Discord and Snapchat. These apps have an age restriction of 13+ because of the inappropriate content that is accessible through the platform. Please delete these accounts from your child's phone and monitor their usage.

Internet Matters has lots of advice for parents.

<https://www.internetmatters.org/resources/apps-guide/social-networking-and-messaging-apps/>

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

Have a go at these grammar activities:
