## STAR moments

**This week's Golden Lunch pupils:**

**6S: Mohamed 6H: Harsimran 6R: Salma 6V: Imeida**

This week's Happy Leaves are awarded to:

**6R: Radost** for believing in herself and being more confident as a learner. She has been taking more responsibility for her learning by recognising her strengths and identifying areas where she needs to push herself. She shares strategies with her peers enabling them to also be successful. Well done Radost.

**6S: Sofiya** for showing great maturity with her SATs revision. She has been extremely dedicated to her learning, and as a result, has become more confident in her abilities and made phenomenal progress recently! Keep it up Sofiya.

**6V: Daniel** for growing in confidence since he joined the Star family. Daniel has now been with us for a month and has settled in very well. He has also demonstrated that he has a fantastic attitude towards learning, wants to develop positive relationships with peers and has a growth mindset.

**6H: Phillip** for his excellent display of perseverance, attention to detail and his drive to improve himself. I'm absolutely thrilled to say that Phillip has come a long way this term, showing an extraordinary level of maturity; he has taken on SATs preparation with a positive attitude and I look forward to his continual growth.

Due to SATs, PE will be on Thursday. All children must wear the correct PE kit in the school colours.

Remember, the best preparation for SATs is to be calm and relaxed to reduce the stress in the run up to the assessments. Whilst some revision should be done on topics that need to be practised, it's important to play, relax and de-stress as much as possible.

It has come to our attention that some Y6 pupils have access to social media apps such as Discord and Snapchat. These apps have an age restriction of 13+ because of the inappropriate content that is accessible through the platform. Please delete these accounts from your child's phone and monitor their usage.

Internet Matters has lots of advice for parents.
