

# Reception NEWSLETTER

WEEK BEGINNING: 15.05.2023

## THIS WEEK'S LEARNING

This week in Reception we will be looking at King Charles' life in preparation for our upcoming trip to Buckingham Palace on Wednesday 24th May.

In Maths, we will be learning about halving and sharing. We will learn to halve sets of items and even numbers by sharing into 2 equal groups.

On Wednesday, we will have a very special visit from Zoo Lab who will be bringing us some animals to see! I wonder who will be brave enough to hold one?

## Star Moments

Minimum

We love playing bingo!

I am doing my morning writing!

Look the water is flowing!

Messy play and writing

I am growing in confidence!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our **self-confidence & trust** happy leaves go out to:

RA: **Hassan** - for growing in confidence and finding his voice! It is great to see Hassan contributing to discussions on the carpet and putting his hand up to answer questions. Keep it up Hassan!

RB: **Bryan** - for showing increased confidence in Phonics. He is able to apply his knowledge of sounds to blend and is reading more words everyday! Keep up the great work Bryan!

RSM: **Fabian** - for showing increased confidence in Phonics. He is able to apply his knowledge of sounds to blend and is reading more words everyday! Keep up the great work Fabian!

## Attendance

RSM - 96.4%

Well done, RSM!

RB - 86.9%

RA - 89.7%

Please bring your child in everyday so that no learning is missed.

## Don't forget...

- Please keep on sharing your WOW moments from home on Tapestry. **It was lovely to see Liyana in RB celebrating King Charles' coronation at a street party over the weekend!**
- READING FOLDERS will remain in school on Monday evenings so books can be changed ready for the Tuesday.
- Keep reading with your child at least once a day. Make this as fun as possible!
- **Trip to Buckingham Palace - Wednesday, 24th May.** We want to thank all the parents that expressed their availability to support us on the trip.
- **Maths Showcase Part 2 - Thursday 18th May at 8.00am**
- **Mastering Number Clinic - drop in this Friday at 1.50 am in the year 1 intervention room in preparation for Week 5's home learning.**

## Over to you. HOME LEARNING

- Complete the weekly mathematics homework & Mastering Number home learning
- Practise reading and writing the week's sounds. Can you spell simple words?
- Read a story book everyday and complete a comment in your reading record.

Mathletics
