

**Week beginning**  
**22.05.2023**

# Year 2 Newsletter

## Important events!

We would like to say well done to all the children in Year 2 for being super resilient and positive in the last few weeks. We will be continuing the KS1 SATs papers next week so please keep up the praise and encouragement for all children. We will also be going to the Olympic Park on Wednesday 24th May to celebrate all our hard work and we can't wait! Please ensure you have completed the consent form on ParentMail. Congratulations to our Golden Lunch nominees last week: 2V – Julia, 2P – , 2U – Nyaisha, 2S – David. Keep up the great work!

## Star Moments

### This term we are modelling trust and self confidence!

2S: Dalia, you are new to Star and on your first day you showed great confidence by talking to your new friends and sharing your interest with staff. It is great to have a new member of 2S with such polite manners and eagerness to learn. We are super lucky to have you here.

2U: Maci, you demonstrated extreme confidence when we were completing our challenges last week for maths. You believed in yourself and persisted in recalling your previous learning. You tried your best and did not give up and I admire that so much about you! Well done and keep it up!

2V: Isabel, I have trusted you to be the 'breakfast monitor' as you have had great confidence in yourself to try new foods and get involved with the singing in the morning. You have also extended your role to lunch times where you are even encouraging those around you to try new things! Well done!

2P: Ronnie! As a new pupil at Star, I have noticed that you came in with lots of self confidence. You have demonstrated this when you are speaking to all the children in class and all the adults. You have good manners and are upholding the Star values already. I cannot wait to see how far you will progress. What a fantastic start!

## Our learning this week...

### Phonics/English:

We will be continuing our Read Write Inc phonics scheme where children will build their phonological knowledge and apply their writing skills to different genres of writing each week in our groups. Some groups will be continuing with the Writing Cycle, where they will be focusing on reading "Last stop on Market Street by Matt De La Peña". We will be writing our final Hot Write and then using our editing skills to make our work even better!

### Maths:

Now that we are in the Summer Term, we will revisit and revise several of our topics to become Maths Masters!

### School Activities:

We will continue focusing on the wellbeing of children this week. Year 2 will be going to the Olympic Park to celebrate all their hard work during the last couple of weeks.

**Don't  
forget!**

Please encourage your children to practise their spellings for 5 minutes and well as daily reading. Each week children will get a range of homework that needs to be completed and handed in on Friday morning.

Please also continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

## Home learning

Remember to keep completing your home learning! Here are the apps to download!
