

Week beginning

22.05.2023

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5RP: Grace, for demonstrating self confidence. Grace has settled in really well and has embraced the school values. She always has the confidence to participate in lessons and attempts all tasks with a positive mindset. Keep it up Grace!

5T: Gabrieli, for his dedication to his work. Gabrieli has really tried to improve the standard of his work this half term and it is clear to see in his outcomes.

5N: Shaynul, for increased participation and contribution during group activities and placing himself out of his comfort zone in an effort to develop his confidence and self-belief. Keep it up, Shaynul!

School closes for half-term break on Friday 26th May and will reopen on Monday 5th June.

Our new topic is...Global Treasures!

As mathematicians, we will continue learning about the different types of measurement units and how we convert from one to the other.

As readers, the children will delve deeper into the Viking Boy and follow the story of Gunnar the Viking Warrior.

As writers we will be coming to the end of our writing cycle of non-chronological reports and writing our final report based on the Anglo-Saxons.

As scientists, we will continue learning about reversible and irreversible changes in materials and conducting a scientific experiment.

In computing, we will be creating our own virtual theatre using a range of software to voice over our characters and include animation.

As historians, we will be exploring why both the Anglo-Saxons and Vikings invaded and settled in Britain.

In D&T, we will be building our own Anglo-Saxon Catapult with a modern twist by including a motor to make to move electronically.

Don't forget!

PE is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

Remember to wear your Fit Friday kit on Friday!

Please ensure your child is at the school gate by 7:45am! At Star, we now have Brighter Starts breakfast and singing in class from 7:50 - 8:00am every morning to support your child with starting the day with as much energy as possible.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day! Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

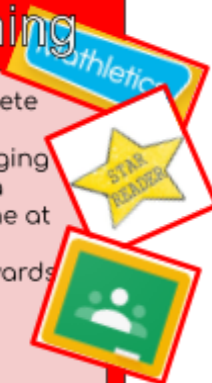

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
