WEEK BEGINNING: 05.06.2023

## THIS WEEK'S LEARNING

Welcome back to school Reception! We hope you all had a restful holiday and are ready for lots of exciting learning!

This term's topic is Healthy Hearts and we will be learning about different factors that can support our health and mental wellbeing.

We will be reading *The very Hungry Caterpillar* and *What I Do with vegetable glue* whilst continuing to develop and increase our confidence and fluency in reading and writing.

We are very excited to deepen our understanding of numberness during Outdoor Maths week, specially ROCK STAR DAY! We can't wait to see everyone's rock star moves and outfits!

## Star Moments

It's the trip day!

Buckingham Palace!

I found a worm!

We saw the Changing of the Guard!

Best day ever!

I saw a snail.

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning last term. We were particularly impressed with the learning behaviours of the children on our visit to Buckingham Palace; well done! We will begin giving out Happy Leaves next week! I wonder who will be our Happy leaf winners? Ask your child what they think they could do in order to demonstrate **Support**.
