Year 2 Newsletter

Important events!

We hope you have all had a fantastic half term with your family and friends. Now the weather is getting warmer we ask that children are provided with a water bottle that they can either leave in class or bring in with them daily to ensure children are hydrated throughout their school day. Congratulations to our Golden Lunch nominees last week: 2V – Sienna, 2P – Mahir, 2U – Eliza & 2S – Dalia. Keep up the great work!

Star Moments

This term we are modelling trust and self support!

2S: Anas – You always know who to turn to whenever you need support. Whether it is your teachers or your friends, you are never afraid to ask for help or clarification. Fantastic!

2U: Samuel, you've been such a supportive peer to the other children in 2U. You are able to model to the rest of your peers how we can show support to others. Well done and keep it up!

2V: Congratulations, Grejsi! What a supportive Breakfast Monitor you have been. You are encouraging those around you to get involved in the Brighter Starts every day. Well done!

2P: Denika! I have noticed that last term you were improving at supporting yourself when we had our challenges. You trusted in yourself even though you found it difficult. Also, I noticed that you have been trying your best and being a role model to others. Well done! Keep it up!

Our learning this week...

This week will be fun as we are having a week full of foundation!

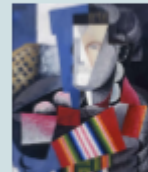

Monday – Computing Day

Children will focus on what coding and algorithms are as they explore using the beebots to complete different routes.

Tuesday – Art Day

We will explore Diego Rivera and his work of cubism. We will use watercolours to recreate a still object painting in his style.

Wednesday – DT Day

We will be creating a tote bag for our friend that a train driver. We will be stitching the bag ourselves and consider the materials and patterns we will use.

Thursday – Pupil Voice/PE & Music

We will discuss and express what we have loved About Year 2 and the challenges we have overcome.

Friday – Geography Day

We will explore similarities and differences between New Delhi and London. We will look at both physical and human features of both cities.

Don't forget!

Please encourage your children to practise their spellings for 5 minutes and well as daily reading. Each week children will get a range of homework that needs to be completed and handed in on Friday morning.

Please also continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

Home learning

Remember to keep completing your home learning! Here are the apps to download!
