

Reception NEWSLETTER

WEEK BEGINNING: 12.06.2023

THIS WEEK'S LEARNING

This week in Reception we will be continuing to learn about how to keep our bodies healthy. We will learn about hygiene and why it is important to wash our hands and brush our teeth regularly.

In Maths, we will be learning to describe and compare different capacities. Children will experience measuring to estimate the capacity of containers and the volume of liquids held in containers.

We will also be learning about Father's Day and celebrating the fathers and important men in our families!

Star Moments

We followed a recipe to make our own play dough!

We have to brush our teeth twice a day!

We need 2 cups of water for the playdough!

Summer is here we need sunscreen and a hat!

I'm making a house. See? This is the window and you can open it.

The playdough is too sticky and gooey so we have to add more flour.

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our **Support** happy leaves go out to:

- RA: **Muhsin** - for supporting his teachers and peers all day every day in every way possible. Muhsin is always looking for ways to help and support others, an incredible quality to have. Well done Muhsin!
- RB: **Eshaal** - for being an incredibly supportive friend to her peers, whenever they are upset she will always offer to get them a tissue, some water and a hug! Keep it up, Eshaal!
- RSM: **Hidaayah** - for offering support to her peers during their learning.

Attendance

RB - 97.1%

Well done, RB!

RSM - 90.9%

RA - 90.4

Please bring your child in everyday so that no learning is missed.

Don't forget...

- Please keep on sharing your WOW moments from home on Tapestry. **It was lovely to see how hard Hassan is working to complete his homework every week!**
- READING FOLDERS will remain in school on Monday evenings so books can be changed ready for the Tuesday.
- Rock star day - Friday 30th June. We can't wait to see the children's Rock Stars outfits and air guitaring!
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and sunscreen. They can also bring in a sun hat, as some of their learning happens outdoors.

Over to you. HOME LEARNING

- Complete the weekly mathematics homework & Mastering Number home learning
- Practise reading and writing the week's sounds. Can you spell simple words?
- Practise doubling numbers 1-5 and number bonds to make 10.
