

Week beginning
12.06.2023

Year 2 Newsletter

Important events!

Please ensure that children are provided with a water bottle that they can either leave in class or bring in with them daily to ensure children are hydrated throughout their school day. Congratulations to our Golden Lunch nominees last week: 2V – Dragos , 2P – Tahir , 2U – Jasmine & 2S – Ethan . Keep up the great work!

Star Moments

This term we are modelling trust and self support!

2S: Rahil, you are a great example of someone who understands how to support others. When discussing the TALK model in class you showed great understanding and how to apply it in real life scenarios. Even before these lessons I knew you already had the skills and understanding of how to support others.

2U: Olisa, you have been modelling support to your peers during the day. You always are ready to help anyone in need and you always encourage your peers during our carpet sessions by displaying good listening skills. Your peers are super lucky to have such a supportive person in their class. Well done and keep it up!

2V: Daniel, you are very supportive of others in the classroom, especially those who find learning and playing difficult. You are helpful and always ready to do a job in the classroom! Well done!

2P: Mario! You have settled into year 2 so well in the mornings. You are becoming used to the daily routines and expectations of Star Primary School. I know that you have been trying hard and doing your best. Keep this up! Fantastic effort!

Our learning this week...

This week will be fun as we are having a week full of foundation!

RE

Children will answer the question. **How does special food and fasting help people in their faith (all religions).** This will help our children answer their big Year 2 RE question of **What can we learn from special stories?** In the next week we will explore Ramadan and Lent. We will see if there is any similarities and differences between the two religious events which building tolerance and respect of each religion.

Fire Safety Workshops

We will be greeted by the London Fire Brigade for a fun session to make us all aware of how to prevent fires, what to do when there is a fire and how to stay safe.

Geography Day

We will explore similarities and differences between New Delhi and London. We will look at both physical and human features of both cities.

Don't forget!

Please encourage your children to practise their spellings for 5 minutes and well as daily reading. Each week children will get a range of homework that needs to be completed and handed in on Friday morning.

Please also continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

Home learning

Remember to keep completing your home learning! Here are the apps to download!
