

Weekly Newsletter - 16/06/2023

Dear Parents and Carers,
As a lifelong Tina Turner fan, listening to the **Year 4 children sing River Deep Mountain High** onstage at the **Hackney Empire** was definitely the highlight of my week. **The Festival of Voices** this year was a massive success and I just want all the children to know how very proud of them I am. Thank you so much for coming out to support your child. I also want to thank the Year 4 staff team and of course Ms Marshall, who works so very hard to make our Stars shine!

Now that we are having such amazing weather, please make sure that you put sunscreen on your child in the morning. Please try and dress your children in as few layers as possible. T-shirts and shorts in the school colours and summer dresses are all welcome. One thing we do ask you to maintain are proper school shoes. Sandals, crocs and any other open toed shoes are not suitable for children to wear to school.

Finally, something that is very close to the hearts of all Star staff is the Pretty Mud 5k fun run in aid of cancer research. We all have our personal reasons for taking part but we also want to acknowledge the brave battle one of our pupils and their family are currently facing. We are filled with admiration for their positivity and courage. If you can sponsor just a few pounds, we would be most grateful.

Pupil Leader's Weekly Reflection

What a beautiful week of weather we have had. The sun is shining and it's very hot. Remember to bring a water bottle into school each day to stay hydrated and leave your school jumper at home. Stay cool!

Esey - 6H

Last week, we celebrated 'supporting one another' through our RSHE mornings. Let's continue to support each other this week. Remember everyone - a problem shared is a problem halved. Can you repeat after me? A problem shared is a problem halved! Thank you and have a great week.

Festival of Voices 2023

Year 4 joined children from 5 partner schools to perform on stage at the Hackney Empire. Their performance was fantastic! This was our children's stage and they certainly owned it. We are so proud of all who performed and this will be a lasting memory for everyone involved.

Star Cyclists

Some of our pupils tried out their bikes today from the 'Borrow a Bike' Scheme. They will use this opportunity to cycle to school everyday, practice their cycling skills and contribute to lower carbon emissions! Well done Star cyclists!

Star Park

As the weather gets warmer, pupils are wanting to enjoy the park after school. Please supervise your child whilst they are playing and talk to them about appropriate behaviour when using a public space. Remember, they are often in school uniform and represent the school community.
