

Reception NEWSLETTER

WEEK BEGINNING: 19.06.2023

THIS WEEK'S LEARNING

This week in Reception, we will be investigating which type of exercise makes our heart work the hardest. We will also be looking at the life cycle of a caterpillar.

In Maths we will be exploring money – 1p, 2p, 5p and 10p coins. We will pay for items and calculate change from 10p.

On **Thursday 22nd June** we will be taking our class photos. Please ensure your child is looking smart and dressed in the correct school uniform.

We will continue with the next 'Future Friday' to help transition children into their new Year 1 classes.

Star Moments

I found a millipede!

We love to play with water when it's hot outside!

It's so hot we need a pool!

Carrots in the Star Garden!!

We made fans to keep us cool!

Sunglasses and hats ready!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our **Support** happy leaves go out to:

RA: **Annie** – for supporting the children in RA who need a little extra help. Annie is very kind and knows how to support the children who need it; especially through using Makaton!

RB: **Nia** – for always being extremely supportive to her peers as well as teachers in every way! Nia is always looking for ways that she can support others! Keep it up!

RSM: **Dimitri** – for supporting himself in settling into a new school with great confidence. He has made new friends and always contributes to class discussions. What a star!

Attendance

RA - 92.6%

Well done, RA!

RSM - 91.8%

RB - 91.4%

Please bring your child in everyday so that no learning is missed.

Don't forget...

- Please keep on sharing your WOW moments from home on Tapestry. **It was lovely to see Chace in RB attend the West Ham United victory parade with his family!!**
- READING FOLDERS will remain in school on Monday evenings so books can be changed ready for the Tuesday.
- Rock star day – Friday 30th June. We can't wait to see the children's Rock Stars outfits and air guitaring!
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and sunscreen. They can also bring in a sun hat, as some of their learning happens outdoors. Please send your child to school with a water bottle labelled with their name so they are able to stay hydrated outside.

Over to you. HOME LEARNING

- Complete the weekly mathematics homework & Mastering Number home learning
- Practise reading and writing the week's sounds. Can you spell simple words?
- Practise doubling numbers 1-5 and number bonds to make 10.
