

Week beginning

19.06.2023

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5RP: Samira, for becoming much more confident and working independently to complete her tasks using the resources around her for support. Keep it up Samira!

5T: Gracie, for her kindness and support to everyone in class. Gracie assists everyone around them and checks on all of them. A very caring approach which we all appreciate,

5N: Jovan, for being an excellent source of support for his peers in the classroom and on the playground. Whilst running laps around the school, Jovan encouraged his friends along and showed good team spirit.

Please ensure your child is at the school gate by 7:45am! At Star, we now have Brighter Starts breakfast and singing in class from 7:50 - 8:00am every morning to support your child with starting the day with as much energy as possible.

Our new topic is...HEALTHY HEARTS!

In Year 5 for English, Reading and Maths we will be revising content that we have learnt since september and revisiting key concepts. This is because we will be completing our final SPAG, Reading and Maths assessments. Don't worry, this will be the children's end of year assessments and we are positive that they will perform really well!

In D&T, the children will be making their own bread by following a simple recipe. During these lessons the children will gain valuable cooking skills related to measuring out ingredients, kneading and baking.

As artists, children will have the amazing opportunity to create their very own bread bins! They will start the journey by gathering research and creating a digital report about where bread bins came from; the purpose of bread bins; why they are used in daily lives and where they originated from.

The next leg of the journey will allow the children to design their very own bread bin based on the research they have gathered!

After this, they will embark on creating and making their bread bin using clay and implementing the coil technique in their design.

Finally, the children will then have the exciting opportunity to paint their bread bins so they are able to use them when they make their very own bread later in the term.

Don't forget!

P.E is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

Remember to wear your Fit Friday kit on Friday!

SATs Companion

Your child has now been given a SATs Companion login, this is to support with answering SATs style questions and to prepare them for Year 6. Please encourage your child to spend some time on SATs Companion on a daily basis to support their progression.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day! Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
