

Week beginning

19.06.2023

Year 6 Newsletter

STAR moments

This week's Golden Lunch pupils:

6S: Alaina 6V: Zainab 6R: Zain 6H: Riya

This week's Happy Leaves are awarded to:

6R: Eesa for confidently being able to write for different purposes and audiences. He used a range of techniques to further uplevel his work; using different levels of formality, language choice and grammar devices for effect. Eesa knew how to manipulate the vocabulary and retain his creativity and maintain his writer's voice. Well done Eesa!

6S: Abubacarr for showing resilience and dedication in his writing. He was determined to uplevel his work and persevered until he ensured he had included a variety of different writing techniques. His writer's voice is really beginning to show! Well done Abubacarr!

6V: Esmeralda for being kind and supportive during English lessons. This week, Esmeralda has demonstrated that she has grown in confidence and can encourage peers to complete their tasks. I am very impressed with how Esmeralda has developed and improved this year and that is credit to her resilience and determination.

6H: Saifan for his excellent talent as a writer. Saifan is able to show he understands his audience and purpose for his writing, and keeps a high level of control and fluency. In Saifan's work, you can expect to find greater depth standard as he goes above and beyond.

PE will be as usual on Tuesday mornings. All children must wear the correct PE kit in the school colours.

This week's learning...

English: We will be doing a learning review and writing reflections about our progress and achievements in year six. We will then move on to learning more about keeping ourselves healthy with the use of persuasive writing.

Science: We will be moving onto learning more about what the heart does for our body. An exciting model will be used to display this. We will then explore what the main parts of the circulatory system is.

RE: We will be evaluating the similarities and differences between different religions.

DT: We will be exploring Scottish national dishes and then go on to finding out about the components of a nutritional label and compare nutrition labels to be able to make healthier food choices.

Class photographs

On Thursday 22nd June, we will be having our class photographs taken. Please make sure that you come to school in smart school uniform and neat hair. Pupil leaders need to proudly wear their badges!

Secondary School Transition Day - Thursday 6th July

Rokeby Transition Day - Thursday 22nd June

Most Newham secondary schools will be inviting in year six pupils for their transition day. Please check with your child's secondary school if they are hosting their event on a different day. You must inform the attendance team if your child will be absent on a different day.

Year Six Awards Ceremony

Tuesday 18th July
5:30 - 7:30pm

Our pupils will be bringing home invitations to the ceremony over the next few weeks.

A gentle reminder to ensure children are not bringing money into school. They receive plenty of snacks in school which keep them fueled and happy throughout the day. Thank you for your continued support!

It has come to our attention that some of our pupils are behaving inappropriately in Star Park after school has finished. We would like to remind you about respecting our Rights ethos as well as our vision and values.

We actively discourage the use of mobile devices to take photographic and video footage of other children. This is a breach of their privacy.

Over to you...

Leavers ceremony

Practice your Year Six class songs at home. Encourage your family to join in. Your songs and music have been posted on Google Classroom.

You could also start to organise a smart outfit (and shoes) for the ceremony. You want to look your absolute best!

Keep in touch!
