

Reception NEWSLETTER

WEEK BEGINNING: 03.07.2023

THIS WEEK'S LEARNING

Firstly, thank you to all of you who helped to make Rockstar day such a success! The children looked amazing and I am sure they will remember this day for a long time to come! Their costumes were fantastic!

This week in Reception we will continue to learn about the life cycle of caterpillars and we will be looking back at our predictions about what we thought would happen to the caterpillars.

During our maths lessons, we will be solving word problems. We will be thinking about real life scenarios and applying our maths skills to answer them.

As part of our DT learning, we will be learning how to mould and sculpt clay so that we can make caterpillars!

Star Moments

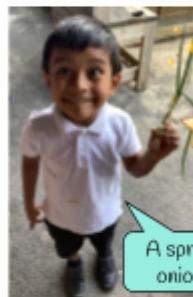

It's outdoor maths week!

I am painting the butterflies in our classroom!

(We love Rockstar Day!)

A spring onion!

Look! A rhombus!

Playing Jenga with my friend!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our **Support** happy leaves go out to:

RA: **Nuaira** - for supporting a new friend in RA to explore her new classroom and the outdoor area. She is very lucky to have you helping her engage in safe and fun activities.

RB: **Tanzeel** - for supporting his friends whilst eating for the first time in the dinner hall! He even poured one of his friends some water!

RSM: **Emmanuel** - for supporting himself to make positive changes and accepting support from his friends to make good choices. Keep it up Emmanuel!

Attendance

RA - 92.6%

Well done, RA!

RSM - 91.8%

RB - 91.4%

Please bring your child in everyday so that no learning is missed.

Don't forget...

- Please keep on sharing your WOW moments from home on Tapestry.
- It was lovely to see the beautiful pictures of Sofia in RA at a Lavender Farm.
- Muhsin in RA also found the teletubbies at West Ham train station!
- Please ensure your child is wearing appropriate clothing and sunscreen. They can also bring in a sun hat, as some of their learning happens outdoors. Please send your child to school with a water bottle labelled with their name so they are able to stay hydrated outside.
- READING FOLDERS will remain in school on Monday evenings so books can be changed ready for the Tuesday.

Over to you. HOME LEARNING

- Complete the weekly mathematics homework & Mastering Number home learning
- Practise reading and writing the week's sounds. Can you spell simple words?
- Practise doubling numbers 1-5 and number bonds to make 10.
