## This weeks learning..

### This half term 's theme is Healthy Hearts!!

**In English** we will be focusing on instructional writing. This week we will be creating a toolkit for instructional writing. This will help us to write our set of instructions next week.

**In Maths** we will be starting a new Topic- Fractions. This week our focus will be finding fractions of shapes by counting in tenths.

**In Science** we will be Looking at the different Muscles in our bodies. We will also be engaging in different exercises and observing which muscles they affect!

**In Geography** we will be using the cordial points of a compass while orienteering our school playground. We will extend our learning by finding the position of different cities in the UK in relation to London.

**In DT** we will be Sandwich Chefs, making our own Sandwiches using fresh produce harvested in our Star Garden!

**In R.E.** we will be exploring parables that make us stop and think. We will also be applying the lessons that parables teach us about today's life. We will be creating our own parables modelled on moral values that they teach.

# Don't forget!

### INDUSTRIAL ACTION

School will be open to all pupils on Wednesday 5th July and all children are expected to attend school as normal.

School will be closed to all pupils on Friday 7th July.

## Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

As well as this, we have a new way for you to access your spellings at home!
