

Dear Parents and Carers,
So, here we are on the last day of school year! I know that you will be as proud as I am of everything that the children have achieved this year. Our summer festival last Thursday really brought home the fact that we have such a strong school community. To see all of our families laughing, sharing food and celebrating our school really does make me so proud.

Today is the day we say a sad farewell to all our Year 6 pupils and parents. It has been a wonderful journey at Star and we just wish them everything of the very best in the next chapter in their lives. We also say goodbye to a few staff members as they leave for new adventures.

I'm also delighted to share with you that Mrs Bradley has given birth to a lovely baby girl. I'm sure that you will join me in wishing her a huge congratulations from all of us.

Finally, please please please look after each other while we are on holiday. Spend as much quality time as you can with your children away from devices and screens. Please make sure that your younger children are supervised at all times in the park and that they remain safe over the holiday period. There are lots of newham based activities that you can enjoy as residents.

All that remains is for me to say Thank You for all your support over this past year.

I look forward to welcoming the children back on the 4th September.

Best wishes,
Ms Von

Pupil Leader's Weekly Reflection

What a fantastic 8 years we have had at Star - these memories will stay with us forever. We would like to thank all of the staff and pupils and it has been a pleasure having the roles of Head Boy and Head Girl. Wishing you all the very best of summer holidays.

The Line is a public art project in East London that connects Queen Elizabeth Olympic Park and The O2, following the waterways and the line of the Greenwich Meridian. Its outdoor exhibition programme offers a journey through a dynamic urban landscape where everyone can explore art, nature and heritage for free.

Here to There is a wayfinding commission on The Line between Star Lane Station and Cody Dock. Artist Katie Schwab's artwork will draw on the rich history of textile block-printing and synthetic dye production in the Lower Lea. It will be co-produced with local residents and will enhance the route to the River Lea at Cody Dock. The installation is being developed by The Line with support from the London Borough of Newham's 'Connecting to Opportunities' programme.
