Year 2 Newsletter

Important events!

This week we are celebrating Outdoor Maths Week to! Please remember that on Friday 30th July is Rockstar Day!

Please ensure that children are provided with a water bottle and are wearing sun-cream in the hot weather. Children do not need to bring coats or jumpers on these days. Congratulations to our Golden Lunch nominees last week: 2V – Huwaitib, 2P – Samuel, 2U – Hannah & 2S – Delsey. Keep up the great work!

Star Moments

This term we are modelling support!

2S: Hiba, you are a supportive superstar! Whenever you have the chance you are always willing and happy to help either me or your friends. We have been so lucky to have you join us this year.

2U: Marilyn, you're such a supportive member of 2U. You're always ready to support your peers whenever they are in need. You also support me by making sure our classroom is super neat and tidy but also by ensuring that our stationery is put away in the right compartments. Thank you for being so super supportive and well done!

2V: Aisha, you have been so supportive. During our class photos, you were sensitive to the needs of others and showed how considerate you are. You are such a caring friend. Well done!

2P: Ayuub, you have been trying hard to support yourself in class. You are putting in lots of effort into your learning and writing in class. I have also noticed how much you are enjoying learning now. I am so proud of you!

Our learning this week...

English: In our Writing Cycle we will continue to focus on the story, "What's going on inside my head?", which our lessons will be based on.

Maths: This week is 'Outdoor Maths Week' we are excited for the children to explore maths outside with fun and exciting activities we have planned!

R.E: In R.E we will continue to answer our Big Question, 'What can we learn from special stories?'. We will look at the Quran and Torah. We will discuss and understand the similarities and difference between these books and why they are special to each religion.

Science: In Science, we are going to be learning about living things with a focus on humans. We will be looking the life cycle stages and what they need to survive.

Don't forget!

Please encourage your children to practise their spellings for 5 minutes and well as daily reading. Each week children will get a range of homework that needs to be completed and handed in on Friday morning.

Please also continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

Home learning

Remember to keep completing your home learning! Here are the apps to download!
