

Week beginning

26.06.2023

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5RP: Mariam, for being a fantastic strategic partner! Mariam always goes out of her way to support others with their learning and always encourages them to do their best. Well done Mariam!

5T: Sabrin, for settling into Star. Sabrin has found herself integrating into a new class very well, she has even made steps to join some sports clubs for next year!

5N: Aqsa, for being a constant source of support to her peers if they ever need it. Aqsa is a very empathetic girl and encourages her classmates when they are struggling or just need some wise words. Well done, Aqsa!

Please ensure your child is at the school gate by 7:45am! At Star, we now have Brighter Starts breakfast and singing in class from 7:50 - 8:00am every morning to support your child with starting the day with as much energy as possible.

Our new topic is...HEALTHY HEARTS!

In English, the children will begin learning about meditation stories and the impact they have on an individual's wellbeing. They will then begin to explore a range of meditation stories and create their very own toolkit.

In Reading, the children will continue reading 'The Broccoli Boy' and find out how he tries to eradicate a very dangerous illness from the world.

In Science, the children will continue to learn all about how humans grow and develop overtime.

In Maths, the children will be taking part in Outdoor Maths week. They will be exploring how to solve area and perimeter problems using a range of tools outdoor.

In D&T, the children will be making their very own bread using the recipe that they created last week.

In Computing, the children will be looking into how we can use technology positively and how control the amount of time we spend online so we can look after our mental wellbeing.

In RE, the children will be learning all about Christianity and the teachings of the Bible.

TT Rock Stars Day!

We will once again be celebrating TT Rock Stars day on Friday 30th June. The children have the amazing opportunity to dress up as Rock Stars to celebrate! Throughout the day, they will be participating in a range of Times Table tournaments and be part of a year group Maths Competition.

We can't wait to see all their lovely outfits!

Don't forget!

P.E is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

Remember to wear your Fit Friday kit on Friday!

SATs Companion

Your child has now been given a SATs Companion login, this is to support with answering SATs style questions and to prepare them for Year 6. Please encourage your child to spend some time on SATs Companion on a daily basis to support their progression.

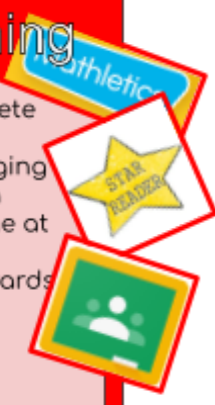

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day! Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
