

Week beginning

26.06.2023

Year 6 Newsletter

STAR moments

This week's Golden Lunch pupils:

6S: Ethan 6V: Daniel G 6R: Apryl 6H: Reggie

This week's Happy Leaves are awarded to:

6R: Hamza has been showing much more support to others in the class proving that he is a responsible and reliable member of the class. He has used the strategies he has learnt in our RSHE lessons and supported his peers by cheering them up, offering to help them in their learning and going out of his way to make sure that everyone is having a good day. Well done Hamza!

6S: Adele for the support she shows her talk partner in lessons. Adele has been fantastic at guiding her talk partner when she needs assistance - despite the language barrier! I am so proud of how she has stepped up as it really demonstrates new depths to her knowledge!

6V: Darcie demonstrated that she can be a great team player and can easily adapt and take advice on board whenever it is necessary. For example this week, she wrote a lovely poem about her identity and managed to combine it with Lexi's.

6H: Elena has shown that she is a supportive and reflective learner by demonstrating her excellent behaviour in the classroom. During rehearsals, she assists her to group to come up with excellent actions that match our class poem. Well done!

PE will be as usual on Tuesday mornings. All children must wear the correct PE kit in the school colours.

We have found that some children are using Whatsapp and are in several group chats. Whatsapp has an age restriction of 16 years old. Please delete their accounts and make sure that your child is using age appropriate apps and playing age appropriate games only.

For further support and guidance, visit the school website's Online Safety page or speak to your child's class teacher:

Over to you...

Leavers ceremony

Practice your Year Six class songs at home. Encourage your family to join in. Your songs and music have been posted on Google Classroom. Learn the lines for your class performance.

You could also start to organise a smart outfit (and shoes) for the ceremony. You want to look your absolute best!

This week's learning...

English: We will be using our extensive research on the heart and the circulatory system to write an explanation text on the human circulatory system and will include flow charts and labelled diagrams.

Science: We will be learning about the main functions of the heart in detail. Children will understand why the heart is important and how to keep it healthy!

Maths: It's Outdoor Maths Week and we will be having our maths learning on the field. We will end the week with an exciting Rockstars competition between all the year six classes.

Leavers ceremony rehearsals: This week and nearly every day, for the next few weeks, we will be rehearsing for our leavers ceremony. We have been working very hard to put on a performance that will be remembered for years to come!

Class photographs (rescheduled) - Thursday 29th June

Please make sure that you come to school in smart school uniform and neat hair. Pupil leaders need to proudly wear their badges!

Secondary School Transition Day - Thursday 6th July

Cumberland School Year 6 - 7 Parents' Information Evening - Wednesday 5th July, 4.45pm - 6.00pm
Year 6 - 7 Transition Day - Thursday 6th July, 9.15am - 2.30pm

Most Newham secondary schools will be inviting in year six pupils for their transition day. Please check with your child's secondary school if they are hosting their event on a different day. You must inform the attendance team if your child will be absent on a different day.

Year Six Awards Ceremony - Tuesday 18th July 5:30 - 7:30pm

Practise projecting your voice, learn your lines for your class performances and year group songs.

A gentle reminder to ensure children are not bringing money into school. They receive plenty of snacks in school which keep them fueled and happy throughout the day. Thank you for your continued support!

It has come to our attention that some of our pupils are behaving inappropriately in Star Park after school has finished. We would like to remind you about respecting our Rights ethos as well as our vision and values.

We actively discourage the use of mobile devices to take photographic and video footage of other children. This is a breach of their privacy.

Keep in touch!
