

Dear Parents and Carers,

What an exciting week we have had! Our year six children have shown tremendous resilience both at the Lake district and the trips at home. As usual the lake district brings out the best in our children: they have been climbing mountains, rowing across the lake, gorge scrambling and so much more. I am so proud of all they have achieved. Please have a look at the school website and enjoy the daily [blog](#).

There are still one or two spaces left so if you haven't signed up, please speak to the office staff who can help you.

Remember to check the date for your child's Parent Information Meeting which commence next Tuesday. It's very important you attend.

Finally, the sun returns this weekend. Try to get outside as much as you can. Wishing you a relaxing Saturday and Sunday.

Year Six Adventure Week

This week has been a very adventurous week for those children who were unable to go to Outward Bounds. The children had the most amazing experience from high ropes courses, paddle boarding, laser combat, indoor rock climbing to kayaking and raft building. They have spent the week developing their confidence and their resilience. We are so proud of them!

The Nursery welcomed some new children this week. They settled exceptionally well, we are very proud of them. They explored the indoor and outdoor areas with confidence and curiosity and are already making relationships with both adults and children.
