THIS WEEK'S LEARNING

What a fantastic week in Reception! We have welcomed most of our pupils and they have all settled into school very well. We couldn't be more impressed, well done!

This term's topic is **Human Rights** and we will be learning about our rights and responsibilities. This week, Reception will continue to explore our environment and learning areas whilst expressing their likes and interests.

We will also be starting to learn phonics this week, beginning with the sounds 'm', 'a' and 's'.

We will further encourage children to access the toilet and snack table independently.

Star Moments

"I can draw here, look"

"We made an obstacle course!"

"I am using my cutting skills!"

"We can do it together"

"Look! I made a hospital out of blocks".

"I am trying to write my numbers".

The children have settled in so well to their new environment and have done some excellent exploring!

This term's topic is **Human Rights**.

Please use this as an opportunity to speak to your child about their rights with the focus this week on responsibility - getting dressed independently, washing hands regularly, clearing an area after use (play time and meal times).
