Star Moments

This term we are modelling Respect and Positive Relationships!

2S: Joshua, since the first day of school I have seen you mature and show a high level of respect around the school. Everyday Joshua is using his manners and kind words when speaking to adults and children. He respects the school equipment and takes good care of his book.

2V: Lily-Grace you have been forming positive relationships with your talk-partner by supporting them with their work, without any prompt from your teacher. This has been so lovely to see and it shows what a caring individual you are!

2P: Bozhi! You have been showing positive relationships with your peers in the playground and your teachers by talking to very politely and showing respect. You follow the class rules very well and ask for help when you need it. Well done! Keep it up!

Our learning this week...

English: We will continue to follow the Read Write Inc programme to focus on our phonics and sentence building. We will also look at Marcus Rashford and start to create a character description of his and all his great attributes.

Maths: We will focusing on place value and counting to 100! We will meet all our Maths No Problem friends and use our understanding of numbers to help answer some mastery questions.

R.E: We will be learning about the creation story in Christianity and why it is significant to Christians.

History: We will continue with exploring Black History month and Jesse Owens. We will focus on the 1936 olympics and why they were important.
