

Dear Parents and Carers,

It was really great to see so many of you in the first PIMs for the year. These meetings will continue next week for Years Reception, 1 and 2. Please make every effort to attend.

We are currently experiencing a high level of lost property so would like to issue a gentle reminder that all items of clothing should be labeled with your child's name and class number. This will help us to return the items to the correct children.

As we settle into the third week of school, I wanted to let you know how proud I am of the independence shown by our Year 2 pupils. They are doing a fantastic job of coming upstairs independently in the mornings. Please keep encouraging your children to be as independent as possible at home as well.

Clubs have started this week and it is lovely to see children enjoying so many activities after school. We are trying to encourage as many parents as possible to take advantage of the many things on offer in Newham. We will shortly be sending home a community newsletter listing many of the offers available in Newham. **This is because it is one of our big school priorities this year to help children to better engage with their learning by reducing screen time.** Keep a look out for parent workshops to support this.

Have a wonderful and safe weekend.  
Ms Von

### Online Safety

Be **SMART**

As the nights start to draw in, children are spending more and more time on devices. It's important that as a family, you decide how much screen time is acceptable and agree to stick to this together.

#### *Conversation Starters for the whole family:*

What do you like to use technology for? How does it help you?

What things make you happy when you use technology?

What things worry you/ make you unhappy/angry/sad when using technology?

What would you do if something online upset you?

Each week, we will learn the SMART rules. This week is The S Rule. Click on the link and watch the first of 6 videos to help you and your family stay safe online.

### Google Classroom

Parents remember you can ask your child to log in to their Google Classroom account at home where you will find all of the day's learning available to view. Ask your child what they have learned today. Talk to them about what they have enjoyed engaging with most. Find out what they think they need to work on next. Remember to speak to your child's teacher if you have any questions.

## **PIMS**

Parent Information Meetings started this week.

What a wonderful turn out! It was lovely to see so many of you attend.

The presentations will be available to view [here](#) shortly.
