## Star Moments

**This term we are modelling Respect and Positive Relationships!**

**2S:** Iyaad. You are the most kind and caring young boy which has helped you maintain and form positive relationships throughout the year group. Your kind words and supportive phrases has made many people in 2S very happy and in the green zone. Thank you for being such a good friend.

**2V:** Asma. I was amazed at your passion in our History lesson about equality in sport. You spoke respectfully, and was able to articulate your learning clearly. It is wonderful to see such a motivated learner. Congratulations for your well-deserved Happy Leaf!

**2P:** Ajan! I have noticed that you have improved your focus in class and you are now putting in lots of effort into your learning. Your positive attitude emulates the respect you show for your learning. You demonstrate your caring nature when helping your peers. Fantastic job!

## Our learning this week...

### English:

In English we will be moving onto our new writing cycle which will help us develop our public speaking skills. We will be making links to our history lessons and using people in sports to inspire our writing.

### Maths:

In Maths we will continue to look at numbers within 100. We will start to look at addition and subtraction and how we can show this practically.

### R.E:

In R.E we will look at how Christians look after the world.

### History:

We will be working on our History skills of chronology. We will put historical sporting events in chronological order and give detail about why they are an important part of our history.

### Science:

As scientists, we will explore what a plant needs to reproduce and what the word 'reproduce' means.
