

# Nursery NEWSLETTER

**WEEK BEGINNING 09.10.2023**

## THIS WEEK'S LEARNING

Dear Nursery Parents and carers,

What a great week we had in Nursery as we welcomed more children in our setting. It has been amazing to see how our older children have been offering their support and making sure everyone feels welcomed and happy.

This week, we will continue learning about Zones of Regulation and what we can do when we find ourselves in each zone in order to manage and regulate our emotions. We will also continue to model and reinforce kind playing with our friends - sharing, turn taking and being kind to each other.

We will continue reading *Giraffes can't dance* and talk about what makes each of us unique or different. Please continue to explore this topic at home as well.

## STAR MOMENTS

We made a delicious couscous salad.

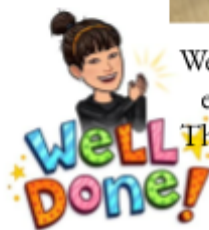

We visited the Headteacher's office.

We visited the printer room.

We made our own dresses and headscarves.

Well done to all of the Nursery children for their amazing efforts with behaviour and attitudes towards learning.

This week, our **Positive Relationships and Respect** happy leaves go out to:

AM - Klark

PM - Tasnima
