WEEK BEGINNING: 09.10.2023

THIS WEEK'S LEARNING

We are looking forward to another great week in Reception! We are continuing to Read our core book called 'Hair Love' which is a beautiful story all about self-confidence!

During our maths carpet sessions, children will learn how to recognise, extend, create and fix simple AB patterns through a variety of practical activities!

Last week we have met **Persevering Peter**. He is special because he does not give up when things get tricky and he keeps on trying again and again. You can support your child at home in reminding them about Persevering Peter and encouraging them to persist when something is tricky.
