

Nursery NEWSLETTER

WEEK BEGINNING 25.09.2023

THIS WEEK'S LEARNING

Dear Nursery Parents and carers,

We hope this newsletter finds you well and filled with excitement as we continue our new adventure together. As we welcome new Nursery children to our Star family, I can happily say that most of them are settling in, separating from parents with little to no support.

This week's learning will continue to develop the children's confidence in asking adults in the setting for help, as well as in accessing all areas and resources.

We will also begin to talk about our learning environment and resources and how we look after them.

Nursery will be hosting their Parents Information Meetings as follows:

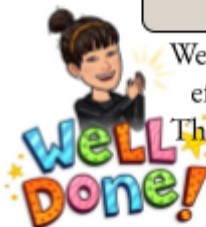

- AM: Friday 29th 8:00 am
- PM: Friday 29th 11:30 am

Come in and scan the QR codes to see our learning.

We found so many vegetable in our Star Garden.

Well done to all of the Nursery children for their amazing efforts with behaviour and attitudes towards learning.

This week, our Positive Relationships and Respect happy leaves go out to:

AM - Lily PM - Maymoona
