Year 4 Newsletter

STAR moments

It was another very productive week! Thank you to all the parents/Carers who came along to the PIM on Tuesday we really appreciate your support.

The children are going to be very busy preparing for their times tables bronze or silver badges. Have a go at home do they know their tables? Do they know the division facts as well? For example $3 \times 5 = 15$, so, 15 divided by 5 equals 3. Will they earn their badges?

Golden Lunch
4H Helen
4S Theo
4L Rania

This week's happy leaves are awarded to
4H Shaanveer
4S Kyara
4L Aayan

This week's learning..

We have another very busy week of learning ahead!

We are continuing our theme on freedom and safety this week. In Shared Reading we will continue to read Azzi In Between. The children will be reading for purpose and using their comprehension skills to answer questions about the text. As writers this week, we will end cycle 1 with a week of writing our own stories using paragraphs, exciting vocabulary and correct punctuation. The children will learn how to proofread their work and edit to create a published piece on Friday. As scientists we will observe that some materials change state when they are heated or cooled? (evaporation and condensation). As Historians we will begin to offer our opinion on the views of MLK and Malcolm X. As part of our Black History Month celebration, as artists we will study Sonia Boyce who often included herself in her artworks and many of her drawings addressing the subjects of race, identity and growing up in London.

In R.E. this week, the children will explain how religious beliefs can be shown through special objects. We will be comparing and contrasting different objects and religions.

In our computing lessons, we will use search technologies effectively, appreciate how results are selected and ranked and be discerning in evaluating digital content.

P.E. this term sees the children working on their gymnastics skills and how to play competitive games.

Finally, in music, the children will continue with their Rockin' Recorders work.

Don't forget!

P.E is on Tuesday- Children need to wear their PE kit to school. Remember to bring in a jumper as the days begin to get a little colder.

Fit Friday is on Friday - don't forget your Fit Friday T. Shirt.

We have had a few lost jumpers over the past few days. Please make sure your child's name is written in their jumpers and coats as this makes it easier for us to locate lost property. Thank you!

Over to you...Home learning

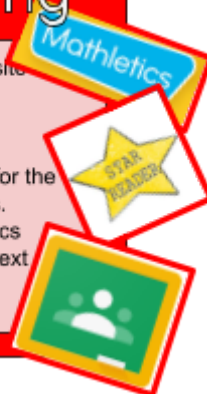

We have a spelling resource for the children to use at home. The website is www.oxfordowl.co.uk and Year 4 log on for all children is as follows:

username: starprimary4

Password: STAR23

There are also E - Books and E - Audio books here as well. Spellings for the week can be found on Google Classroom along with times tables tests.

Children are to continue working on Times Tables Rock Stars, Mathletics and Bug Club. There will be class competitions on TTRS look out for next week's winners!

Keep in touch!
