STAR moments

Last Week's Golden Lunch pupils are:

6P: Sofia **6H: Ana Sophia** **6R: Shaynul**

This week's Happy Leaves are awarded to:

6P: Naifah, for her amazing attitude during the activities at Outward Bounds. Naifah showed excellent determination and courage in leading the group, in particular, the rocking climbing, where Naifah reached the top of the most difficult climb!

6H: Matildah, for her compassionate and hardworking character during our trip to Outward Bounds. Throughout our preparation for each activity, Matilda was always looking out for children's wellbeing, making sure safety equipments were properly on. Amazing!

6R: Jameel, for his amazing resilience in the lake district and a respect for those around him that never faltered even when he was upset, sad or challenged.

P.E is on Thursday so please come to school dressed in your P.E. kit with black trainers.

Our new topic is...Human Rights.

In Reading, we will continue following the journey of Nat, from the narrative 'Freedom', who is desperate to escape slavery and build a new life for himself.

In English, we will be planning and writing our very own narrative similar to 'Freedom' ensuring that we include a range of descriptive devices.

In Maths, we will be exploring the concept of order of operations (BODMAS). The children will learn how to solve problems involving the four operations.

In Science, we will be learning all about Charles Darwin's Theory of Evolution and how natural selection played a major part in evolution.

In History, we will be learning about how slaves were treated by analysing historical sources.

In RE, we will be exploring how meeting at a place of worship builds a community in different religions.

In Computing, we will be exploring how taking or sharing inappropriate images of someone, even if they say it is okay, may have an impact for the sharer and others.

In Art, we will be learning how to sketch portraits, focusing on key facial details.
