## NEWSLETTER

WEEK BEGINNING: 06.11.2023

### THIS WEEK'S LEARNING

We have had a fantastic first week back in Reception! We settled back into school so well after the holidays and participated in lots of activities to celebrate Bonfire Night and Diwali.

In our phonics sessions, children will continue to practise blending using 'Fred Talk'.

During maths lessons, all children will engage in fun activities whilst exploring language related to time. We will then further sequence events and talk about what happens first etc.

### Star Moments

We loved performing our Mary Seacole song!

It's a pumpkin!

I made a special robot!

Look at my fireworks!

I am sorting the chickpeas into different colours!

Look, we're taking out all the seeds from the pumpkin!

**RB: Georgia** - for developing her independence since the start of Reception. Georgia always follows the morning routine without help and comes in with a smile on her face!

**RU: Mito** - for becoming super independent in sensibly getting his belongings at home time and zipping up his own coat without adult support! What a superstar, well done!

**RP: Rafael** - for beginning to independently put his jacket on, well done Rafael, keep persevering like Persevering Peter.

### Don't forget...

- Reception's trip to the Olympic Park in Stratford will be on **Thursday 9th November**
