## Star Moments

This term we are modelling  
**INDEPENDENCE** and  
**COPING SKILLS.**

2S: Amiyah, I am incredibly impressed with how well you are managing your feelings. Since the start of year 2 you have created your own personal coping skills that allow you to regulate yourself and make yourself happy again. We are all so proud of you!

2V: Ayman – You have made me so proud over the last week. Every single day since half-term, you have shown that you haven't forgotten the expectations of Year 2. You have coped well with working with a new talk partner and have completed every task with confidence and independence. Well done!

2P: Madiha! You are working so hard and I have noticed your independence is growing. You are coping so well in school with your learning and you have made new friendships and relationships. Keep this up! I am very proud of you.
