STAR moments

Last week's Golden Lunch was awarded to:
6P: Shylah 6H: Gabrieli 6R: Adelina

This week's Happy Leaves are awarded to:

6P: Saimon, for producing some fantastic work independently! Saimon has developed his confidence overtime and is now completing all his task to a good standard and working very independently. Keep up the fantastic effort Saimon!

6H: Sabrin, for her excellent dedication and exemplar model of her prefect duties. Sabrin is always polite and kind, and also has a great expectation of behaviour. I've been very impressed with how responsible she has been! Also, an excellent footballer too!

6R: Amy, for beginning to work very independently in all her subjects. Amy was feeling quite unsure last half term but she has come back determined to succeed this half term. She is trying every task independently and more importantly with a smile!

Our topic this half term is...Media Mayhem

In Reading, we exploring non-fiction texts about Ancient Greece and answering retrieval and inference questions based on the text.

In English, we will be writing our very own news report using a range of reporting features and language.

In Maths, we will be learning how to multiply three digit numbers by two and three digit numbers as well as solving a range of word problems.

In Science, we will be investigating how electricity flows through a circuit.

In History, we will explore and compare the physical geography of Modern Greece and Ancient Greece.

In RE, we will investigate the reasons for needing leaders in our world.

In D&T, we will be researching a range of Ancient Greek buildings and structures.

In Computing, we will be exploring how to capture online bullying content as evidence.

Don't forget!

P.E is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

On Fit Fridays, you need to come into school dressed in your Fit Friday kit with black trainers!

Cut your carbon!

We will be taking part in 'Cut your carbon' month for November. Scan the QR code for more details!

Over to you...Homework

This week, you will be given SATs Companion logins to keep at home. If you haven't done so already, begin to use SATs Companion regularly to develop and improve your Reading, Grammar and Maths. You could start by consolidating some Year 5 topics and then move onto Year 6 topics. Your teachers will be assigning tasks for you to complete. <https://app.satscompanion.com/login>
