

# Week beginning

13.11.23

# Year 4 Newsletter

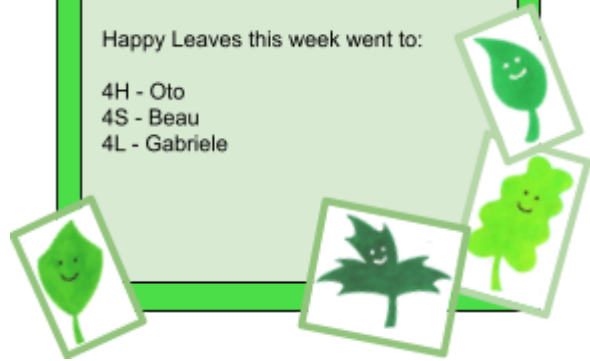

## STAR moments

What a busy week we have had! The children have been working very hard this week in all areas of their learning. We have been very impressed with the standard of their journalistic writing in particular! The children have used some amazing vocabulary and punctuation this week. They have been creating headlines and articles about a very disturbing theft from Star Primary School! As one headline read - CHILDREN LEFT MISERABLE BY THEFT OF HAPPY TREE! Ask your children what happened, it was all very exciting!

On Friday we observed a 2 minute silence and found out why we celebrate Remembrance Day. The children were very respectful.

Happy Leaves this week went to:

4H - Oto  
4S - Beau  
4L - Gabriele

## This weeks learning..

In our English lessons we are continuing our newspaper work. The children will learn how to be editors and edit their article ready to publish in the class newspaper on Friday.

We will continue with the Maths - No Problem! scheme and this week the children will be continuing to work on multiplication.

In science, the children will continue the topic of states of matter where they will learn about the water cycle.

In Shared Reading, we will be continuing to work on comprehension skills and we will be teaching the children how to quote directly from the book they are reading to answer questions.

As Historians, children will create a timeline of key events in the development of Britain's Industrial Revolution.

This week is Inter Faith Week, where children will take an active part in discussion about this topic. Children will compare different religions and express their own belief through Art. They will decorate the world peace day mug and write a message/meaning inside.

This week is Anti Bullying week and we are supporting this initiative in a positive way by coming into school on Monday wearing odd socks! It couldn't be simpler!

# Don't forget!

We are delighted to be able to invite you to a Year 3 and 4 maths workshop on **Thursday 23rd of November**. This will be held in the bottom hall from 8:00 until 8:45. Please enter the school via the main office on this day.

The aim of the workshop is to provide you with a deeper understanding of our maths philosophy and curriculum as well as give you practical tips and advice as to how you can support your child at home too. If you are unable to attend, the presentation will be shared with you via ParentMail at a later date.

## Over to you...Home learning

We are delighted to announce that we've signed up to take part in an England wide competition on TTRS called "England Rocks". This will take place on the 14th November-16th November.

The aim of the competition is to score as many points as possible! Each player can earn points for a maximum of 1 hour each day between the hours of 7:30-19:30 through the three days of the competition. Remember to log on!

Log on to **Mathletics** and complete the work assigned to you each day! **Log in details are in your reading record.**

Continue to improve your reading skills by logging onto **Bug Club** each day. Remember to share a chapter from your favourite book with someone at home too.
