Year 2 Newsletter

Well done Year 2 for such a wonderful start to the year. Your teachers are especially proud of all the progress you have made so far and are extremely excited to continue learning next half-term. When we come back from our break, we will be looking at a new theme of: Media Mayhem. We can't wait to see you on Monday 30th October 2023.

Star Moments

This term we are modelling Respect and Positive Relationships!

2S: Amdadur, since starting Star you have shown a great progression with your positive relationships. You are more open to talk to adults and your peers which has shown a kind and happy side to you. I have heard great feedback from other teachers too. Well done!

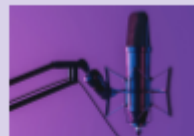

2V: Liban, you have been taking the initiative to support your friends in their learning. You even go above and beyond and model to others how a task should be completed. In turn, you are building positive relationships and making a difference to our learning environment. Well done!

2P: Olivia! You have demonstrated positive relationships with all adults and pupils. I have noticed an improvement in your learning and you are trying much harder in class which shows the respect you have for your learning. Keep this up!

Our learning this week...

In English, we have been on Cycle – 2: Live biographies. We are exploring the different features of a speech and working towards performing our own on Jesse Owens.

In recognition of achievement and talent, in Black History Month, we will be rehearsing our speeches about Jesse Owens and recapping all the new knowledge that we have learnt this half-term.
