WEEK BEGINNING 20.11.2023

THIS WEEK'S LEARNING

Dear Nursery Parents and carers,

This week we will continue reading *Dear Zoo* and consolidate retelling the story using our Makaton signs, as well as using describing words when talking about animals.

We will also be conducting some science experiments, looking at how objects can sink or float and why.

This week on **Wednesday 22nd November** our second group will be going to the local Co-op where they will get all the necessary ingredients for this week's cooking. On their way there, the children will observe the local area, take pictures using the Ipad and discuss any familiarity.
