Year 2 Newsletter

Year 2 will be constructing and building Fire Engines in their DT learning. We kindly ask if you have any empty cereal boxes, shoe boxes (something of a rectangular shape and cardboard) to bring it into school please. If you have more than one it would be truly appreciated.

Please remember to put your child's name in all of their belongings.

Star Moments

This term we are modelling
INDEPENDENCE and
COPING SKILLS.

2S: Fabyo, you are showing such great independence with your learning in class. You can independently complete tasks set and even help your friends stay on task and be successful after you have finished. You are doing great, keep it up!

2V: Hafiza, I am so proud of you using coping skills to become braver in participating in class. Even when you are not feeling confident, you are beginning to put your hand up and have a guess. That is such a big step and I am incredibly pleased! You should be too, well done!

2P: Omari! You showed great coping skills the last week. You were able to communicate how you were feeling and you did not let that deter you from trying your hardest and putting in lots of effort in your learning! This is a fantastic skill to have! Keep this up!

Our learning this week...

English:

In English we will be starting our new Writing cycle which will be focused on Digital Blogs. We will be completing our cold write and exploring what is a digital blog.

Maths:

In Maths, we will continue to focus on Multiplication. We will use our knowledge to help us answer word questions.

R.E:

In R.E we will explore important values that we can learn from a story in the Bible. We will use the parable 'The Parable of the wealthy man' to help direct our learning.

DT:

In DT, we will be constructing a diagram of a fire engine to help us plan for our final project. We will also discuss and think about what materials will be suitable to build our own fire engines.
