STAR moments

Last week's Golden Lunch was awarded to:
6P: Linis 6H: Imani 6R: Shaun

This week's Happy Leaves are awarded to:

6P: Samira, for approaching all tasks with an open-mind and a positive attitude. Samira is working increasing independently during lessons and has began to participate during class discussions too in order to gain a better understanding. Keep it up Samira!

6H: Raisha, for her outstanding and hardworking attitude in all lessons. Raisha shows that she is an independent learner, making sure to take on feedback to improve her learning. Also, fantastic work to earn your handwriting pen!

6R: Marie, for her maturity and independence in everything she does. Marie always follows instructions and is able to explain to others also. She is so mature and conscientious it is like having another adult in the classroom. Well done Marie!

Our topic this half term is...Media Mayhem

In Reading, we will continue to explore non-fiction texts around the topic of Ancient Greece and answer relevant retrieval and inference questions to develop our comprehension skills.

In English, we will be planning and writing our very own myths based on the characters and setting from Ancient Greek myths.

In Maths, we will be delving deeper into division by exploring how to solve long division problems.

In Science, we will investigate how the brightness of a bulb changes in relation to voltage.

In History, we will looking into the similarities and differences between the two city-states of Athens and Sparta.

In RE, we will write a job description for a religious leader and compare it with another religion.

In D&T, we will research famous designers to inform our designs.

In Computing, we will be recognising examples of extremist behaviour and content online.

Don't
forget!

P.E is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

On Fit Fridays, you need to come into school dressed in your Fit Friday kit with black trainers!

Cut your carbon!

We will be taking part in 'Cut your carbon' month for November. Scan the QR code for more details!

Over to you...Homework

This week, you will be given SATs Companion logins to keep at home. If you haven't done so already, begin to use SATs Companion regularly to develop and improve your Reading, Grammar and Maths. You could start by consolidating some Year 5 topics and then move onto Year 6 topics. Your teachers will be assigning tasks for you to complete. <https://app.satscompanion.com/login>
