THIS WEEK'S LEARNING

Dear Nursery Parents and carers,

We hope you all had a fantastic half-term and got up to lots of exciting things! We are really looking forward to seeing what this term brings:

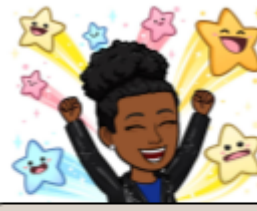

Our trip to a local shop is coming up. This holistic learning experience will develop our physical, social, emotional, and cognitive needs whilst we brainstorm what will be the cooking of the week, use ICT equipment for research, mark make our shopping list, look at a map in order to navigate our local environment, and many more.

We will start reading *Brown Bear* what can you see and we will continue practising communicating colours using Makaton signs.

STAR MOMENTS

Mummy and daddy driving go shopping.

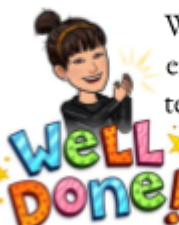

It's like a cloud!

I'm writing my name.

It's burning! There's fire!

Well done to all of the Nursery children for their amazing efforts with behaviour and attitudes towards learning last term. We will begin giving out Happy Leaves next week! I wonder who will be our Happy leaf winners? Ask your child what they think they could do in order to demonstrate **independence**.

OVER TO YOU

This term we will be talking about things that happened in the past.

Please use this opportunity to look at old pictures and talk to your child about what happened recently to them.

Retell them your life story and recent events in your life.
