WEEK BEGINNING: 30.10.2023

THIS WEEK'S LEARNING

We hope you all had a fantastic half-term and got up to lots of exciting things! We are really looking forward to seeing what this term brings. It's going to be a busy one!

This term's theme is **Media Mayhem** and we will use a range of ICT devices and software to expand our skills and learning.

In our phonics sessions, children will continue to practise blending using 'Fred Talk'.

During maths lessons, all children will engage in fun activities whilst exploring counting, number composition, 2D shapes and positional language.

Star Moments

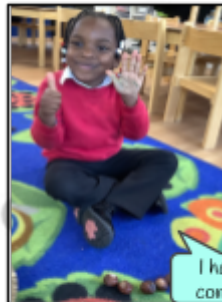

A teddy bear's picnic!

I am cutting it again and again like Persevering Peter!

I am making an orange painting. Look!

I have 6 conkers!

I am making a yummy soup for my mummy.

I am using my fingers to count to 3.

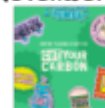

RB: Georgia- for developing her independence since starting Reception! I am so impressed by the way that Georgia is able to zip her coat up by herself and even put her gloves on! Keep it up!

RU: Ibrahim- for being independent in opening his own packed lunch box. Even though you found it difficult at first, you persisted like Independent Izzy and did it! Well done for believing in yourself!
