Year 6 Newsletter

STAR moments

Last week's Golden Lunch was awarded to:

6P: Jannath 6H: Sabrin 6R: Shayaan

This week's Happy Leaves are awarded to:

6P: Yasin, for improving the quality of his work and using a range of key vocabulary in his outcomes. Yasin has been working particularly hard to take more ownership of his learning and is now quick to settle down and complete the tasks set. His work ethic has improved and he is producing some great work.

6H: Skye, for her fantastic learning behaviour and positive relationships across the term. Skye is someone who takes ownership of her learning, making sure to participate and focus during lessons, and uplifts those around her. Fantastic job.

6R: Ivan, for the brilliant respect and maturity he shows in his prefect role. Ivan faced some challenging children this week and he responded to that problem like a true prefect and mature year 6 student.

P.E is on Thursday so please come to school dressed in your P.E. kit with black trainers.

Our new topic this half term is...Media Mayhem

In Reading, we will be reading a range of fiction and non-fiction texts based around Ancient Greece and answering a range of comprehension questions based around the texts.

In English, we will be learning how to write news reports as news reporters including a range of writing techniques to engage and entertain the audience.

In Maths, we will be learning how to multiply and divide using the written method.

In Science, we will be learning all about electricity. We will be conducting experiments by creating circuits and finding out how the correlation between voltage and power.

In RE, we will be exploring the importance of religious leaders and their roles within their religion.

In Computing, we will be learning how to create VLOGs based on Alexander the Great.

In D&T, we will be learning how to make greek buildings and structures using a range of material.

Over to you...Homework

This week, you will be given SATs Companion logins to keep at home. If you haven't done so already, begin to use SATs Companion regularly to develop and improve your Reading, Grammar and Maths. You could start by consolidating some Year 5 topics and then move onto Year 6 topics. Your teachers will be assigning tasks for you to complete. <https://app.satscompanion.com/login>
