

Week beginning

04.12.2023

STAR moments

This week's Happy Leaves are awarded to:

6P: Tyler, for working independently and having a positive attitude during Mock SATs week. Tyler worked extremely hard to complete his assessments and continued to be resilient throughout the tests even when the questions were challenging. Well done Tyler, keep it up!

6H: Sami, for his excellent attitude and independence during our Mock SATs. Sami shows that he is able to handle exam pressure and take ownership of his learning by focusing and using prior learning. Well done.

6R: Jumana, for her amazing positive attitude to mock SATs week! She has taken every piece of advice onboard and stayed cool and calm. Well done Jumana!

This week we have had a very successful Mock SATs week and based on the outcomes of these assessment more information will be sent to you via parentmail next on how you can further support your child.

Year 6 Newsletter

Star Primary School

Our topic this half term is...Media Mayhem

- In Reading and Maths, we will be revisiting our Mock SATs test papers to go over our answers and consolidate our learning.
- In English, we will be looking at the features of VLOGs and writing scripts for our VLOGs.
- In Science, we will carry out and evaluate an experiment to see how changing the wire in a circuit affects the brightness of a bulb.
- In History, we will place key events of the Ancient Greek period in a chronological framework.
- In RE, we will compare and contrast religious leaders.
- In D&T, we will design our building thinking about materials, waste and how to maximise the materials we use.
- In Computing, we will be using our technological skills to create a VLOG using the Green Screen.

Money in school

Dear Year Six parents,

We have noticed that a number of Year Six pupils are bringing money into school with them each day. This ranges from 50p up to £20. Money is not permitted onsite. Some children are using this money to buy fizzy drinks and sweets in the local shop before and after school. We all enjoy a treat now and again but these sugary items are not setting your child up for a day of learning. On occasions, the school may ask for a small donation for charity events such as Children In Need but this would be communicated to you in advance and collected by a designated adult or handed in to the main office. This will be addressed with all of Year Six through their RSHE lessons around keeping themselves safe. Please support us in having this conversation at home.

Warm regards,
Ms Williams
Assistant Headteacher

Don't forget!

P.E is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!
On Fit Fridays, you need to come into school dressed in your Fit Friday kit with black trainers!

Cut your carbon!
We will be taking part in 'Cut your carbon' month for November. Scan the QR code for more details!

Over to you...Homework

This week, you will be given SATs Companion logins to keep at home. If you haven't done so already, begin to use SATs Companion regularly to develop and improve your Reading, Grammar and Maths. You could start by consolidating some Year 5 topics and then move onto Year 6 topics. Your teachers will be assigning tasks for you to complete. <https://app.satscompanion.com/login>
